

Public Notice

The City of Modesto is providing notice and requesting public comment regarding a proposed application to use Passenger Facility Charges (PFCs) at the Modesto City-County Airport – Harry Sham Field (MOD). PFC's are collected from Air Carriers that provide air service. Air Carrier service was terminated at the Modesto Airport on June 04, 2014. This left a balance of unused PFC's. Projects are funded 90.66% by a Federal Aviation Grant. The remainder of 9.34 % is funded using either PFC's or a City Local Match. The proposed PFC usage will be used to help fund the following projects:

Project No. 1: **Wildlife Hazard Assessment:** This project is 92% complete. This project is part of an Airport Improvement Project that has Grant Approval from the Federal Aviation Administration. The City is proposing to use PFC's to pay for the City portion of this project. The total City share amount will be \$13,333.00.

Project No. 2: **Obstruction Removal Design:** This project is complete. This project is part of an Airport Improvement Project that has Grant Approval from the Federal Aviation Administration. The City is proposing to use PFC's to pay for the City portion of this project. The total City share amount will be \$7,331.90.

Project No. 3: **Obstruction Removal from Navigable Air Space-Construction:** This project is 90% complete. This project is part of an Airport Improvement Project that has Grant Approval from the Federal Aviation Administration. The City is proposing to use PFC's to pay for the City portion of this project. The total City share amount will be \$35,244.00.

Project No. 4: **Security and Perimeter Fencing Design:** This project is complete. This project is part of an Airport Improvement Project that has Grant Approval from the Federal Aviation Administration. The City is proposing to use PFC's to pay for the City portion of this project. The total City share amount will be \$12,584.06.

Project No. 5: **Rehabilitate Runway Design:** This project is complete. This project is part of an Airport Improvement Project that has Grant Approval from the Federal Aviation Administration. The City is proposing to use PFC's to pay for the City portion of this project. The total City share amount will be \$32,990.75.

Project No. 6: **West Apron Design:** This project is complete. This project is part of an Airport Improvement Project that has Grant Approval from the Federal Aviation Administration. The

City is proposing to use PFC's to pay for the City portion of this project. The total City share amount will be \$16,989.18.

Project No. 7: *Runway Rehabilitation, West Apron, Security and Fencing Construction:*

Portions of this multi-tiered project are in progress. This project is part of an Airport Improvement Project that has Grant Approval from the Federal Aviation Administration. The City is proposing to use PFC's to pay for the City portion of this project. The City is requesting to use PFC's in the amount of \$72,127.15.

The total amount of PFC revenues the City is requesting to use on the above projects is \$196,054.00.

This PUBLIC NOTICE will be posted by the City Clerk of Modesto at 1010 10th Street, Modesto, CA as well as on the Modesto City Website, www.modestogov.com.

For questions and additional information on this proposed application, please contact Mr. Mark Germanowski, Airport Manager, at (209) 577-5318. Official comments should be submitted in writing to the address below. Comments must be received by **March 04, 2016.**

Mr. Mark Germanowski

Airport Manager

Modesto City-County Airport – Harry Sham Field

617 Airport Way

Modesto, CA 95354-2916
